

## **Sharing of Technical Information in Support of Proposal Development for Enhanced Use Lease at Fort Leonard Wood, Missouri**

I, the undersigned, am receiving information sensitive to the national security of the United States, as it is related to the water, wastewater, and electrical infrastructure (“map” or “maps”) of Fort Leonard Wood, Missouri. I declare that the following statements are correct:

I am the official representative of the entity named below, for the purpose of responding to the request for proposals (“RFP”) for an Enhanced Use Lease (“EUL”) at Fort Leonard Wood, Missouri.

I have the authority and power to bind all members and/or employees of the entity I represent to the statements below.

The information entrusted to me will only be used by me or others within the company I represent who have a need for the information in development of a proposal in response to the RFP for the EUL at Fort Leonard Wood, Missouri; and will not be released to any other third party individuals or entities (including subsidiaries and parent entities) not listed below without the prior written consent of the U.S. Army Corps of Engineers, Baltimore District (“District”).

Entities authorized to share this information:

I acknowledge that the map(s) provided are considered sensitive to the national infrastructure of the United States, and I will take reasonable measures to safeguard this information from being distributed outside the company(ies) named above, for which I am responsible. The information will not be used for any purposes other than the investigation and development of my company’s response to the Fort Leonard Wood EUL RFP. When the entities named above no longer need the information for their investigation or development activities; or if they withdraw their proposal, all the information will be returned to the District including all copies made during that process.

I will direct all questions regarding use, safekeeping, distribution, and/or retention of this information to the EUL Project Manager, Bill Shockney, at [Bill.Shockney@usace.army.mil](mailto:Bill.Shockney@usace.army.mil).
